PROFESSIONAL EXPERIENCE

SUMMIT POINT | Remote | Jun 2024–Jun 2026

Creative & Brand Marketing Lead

West Michigan exterior-services company serving residential and commercial customers across multiple divisions and locations.

- Led brand strategy, marketing communications, and integrated campaigns supporting **expansion into Detroit and the launch of a new division**, during a period when company revenue reached approximately **$25M in 2024 and $30M in 2025**.
- Unified brand positioning, messaging, and marketing execution across **four divisions, three locations, and 10+ service lines**, modernizing legacy identities and aligning digital, print, email, direct mail, content, and sales enablement.
- Expanded an underdeveloped website into an SEO and lead-generation platform with **50+ service, landing, location, and educational pages**, extending geographic and service-line coverage through targeted content, case studies, testimonials, and conversion tools.
- Replaced outdated sales collateral and an informal referral approach with standardized pitchbooks, proposals, and a structured referral program supporting a **nine-person sales team**.
- Directed **three agencies and 40+ vendors**, coordinating marketing delivery and establishing workflows and brand governance; used AI to support research, concept development, and quality review.

SMARTSITES | Remote | Sep 2022–Jun 2024

Senior Marketing Manager

Full-service digital marketing agency providing web, SEO, paid media, and related marketing services to businesses nationwide.

- Led digital delivery across a **30-client portfolio** representing at least **$48K in monthly recurring revenue**, coordinating concurrent website, content, SEO, development, paid-media, reporting, and optimization priorities.
- Led approximately **5 website builds and redesigns** from discovery and requirements through content, design, development, QA, and launch, turning business objectives and specialist recommendations into completed digital experiences.
- Took ownership of dissatisfied and cancellation-risk accounts transferred after missed deadlines, weak results, or strained relationships, stabilizing delivery and contributing to approximately **90% client retention**.
- Created and presented monthly reporting across traffic, rankings, leads, calls, conversions, and ecommerce performance, using results and specialist input to set optimization priorities.

ACCELERATE360 | Remote | Sep 2020–Aug 2022

Creative Marketing Lead

Media, ecommerce, and consumer-brand company spanning publishing, retail, and digital commerce, including LifeToGo and Us Weekly's ecommerce platform, UsNow.com.

- Built LifeToGo's early brand and campaign execution infrastructure as its primary creative resource, supporting ecommerce marketing as the marketplace grew from launch to **$18.7M in revenue in under two years**.
- Supported product launches and online sales with integrated campaign assets across Amazon, ecommerce, email, display, social, motion, and video, including work for Us Weekly, Men's Journal, Performance Inspired by Mark Wahlberg, and Toni Braxton Beauty.
- Standardized ecommerce content and creative requirements for **47 consumer brands**, adapting inconsistent partner assets into cohesive product presentations and campaign materials across beauty, fashion, wellness, and other consumer categories.
- Developed packaging, ecommerce merchandising, promotional materials, and advertising for owned and partner products; built reusable ad formats and templates to support high-volume campaign production.

STONE FOX VENTURES | Grand Rapids, MI | Nov 2012–Sep 2020

Art Director

Grand Rapids venture group operating a portfolio of B2B industrial, ecommerce, and consumer businesses.

- Built brand, ecommerce, and marketing infrastructure supporting growth from a single company with an outdated identity into an **eight-company portfolio** of B2B manufacturing, distribution, and B2C ecommerce businesses.
- Defined naming, positioning, messaging, and visual identity across the portfolio, building **two flagship corporate brands**, launching product brands, and **rebranding three established organizations**, including a **75-year-old company**.
- Built and led a creative team of **five designers and four developers** plus external partners, coordinating brand and marketing integration across **three acquisitions**.
- Led **eight portfolio websites across four platforms**, spanning B2B manufacturing, corporate, and B2C ecommerce experiences and supporting **$3M+ in annual ecommerce revenue** across approximately **10,000 SKUs**.
- Replaced a limited legacy sales tool with a **276-page product catalog**, organizing product information, specifications, and photography into a comprehensive sales resource; independently handled design and production.
