CREATIVE & BRAND LEADER

Creative and brand leader grounded in design and art direction, with deep experience shaping brands, integrated campaigns, creative operations, and multidisciplinary execution. Combines hands-on creative expertise with the strategic range to translate business priorities into distinctive brand systems, compelling communications, and high-quality work at scale.

Creative Direction • Brand Strategy • Integrated Campaigns • Creative Operations • Design Systems • Content Strategy • Team Leadership • Cross-Functional Leadership

PROFESSIONAL EXPERIENCE

SUMMIT POINT ROOFING | Remote | 2024–2026

Creative & Brand Marketing Lead

- Shaped brand, creative, and integrated marketing strategy during significant company expansion; joined in June 2024 when annual revenue was projected at **\$16M, finished 2024 at approximately \$25M, and reached approximately \$30M in 2025**, alongside the opening of a Detroit location and the launch of a new division.
 - Orchestrated integrated creative and brand programs across **four divisions, three locations, and 10+ service lines**, connecting digital, print, direct mail, email, content, and sales enablement into a consistent market presence.
 - Reshaped website and content strategy, creating **50+ service, landing, location, and educational pages** that expanded geographic and service-line coverage while strengthening the customer-facing brand experience.
 - Conceived and implemented sales enablement and lead-generation programs for a **nine-person sales team**, including pitchbooks, proposals, referral and partnership programs, brochures, and targeted direct-mail initiatives.
 - Oversaw **three external agencies and 40+ vendors**, establishing creative standards, workflows, and brand governance across business lines.
-

SMARTSITES | Remote | 2022–2024

Senior Integrated Marketing Manager

- Managed and onboarded a **30-client portfolio representing \$48K+ in monthly account value** while maintaining **approximately 90% retention** through strategic consulting, proactive problem-solving, and campaign leadership.
- Set digital and SEO strategy across the portfolio, interpreting performance, defining recommendations, and guiding specialists to refine campaigns and execution based on results.
- Guided cross-functional teams of designers, developers, writers, SEO specialists, and digital marketers delivering website and search initiatives while advising business owners and executives on strategy.

ACCELERATE360 | Remote | 2020–2022

Brand & Marketing Manager

- Served as the primary creative resource for LifeToGo, shaping brand and campaign execution as the ecommerce marketplace grew from launch to **\$18.7M in revenue in under two years**.
 - Developed creative supporting the launch and marketing of **47 consumer brands** across beauty, fashion, wellness, fitness, technology, food, and lifestyle categories.
 - Designed LifeToGo-branded products, packaging, and launch creative while developing ecommerce merchandising, promotional campaigns, digital advertising, and marketplace assets for partner brands.
 - Produced integrated creative across Amazon, ecommerce, email, display advertising, motion graphics, social media, video, and promotional campaigns supporting product launches and online sales.
 - Created campaign and brand assets for nationally recognized media properties including **Us Weekly, Men's Journal, Performance Inspired by Mark Wahlberg, Toni Braxton Beauty, Jill Zarin Home, Lisa Rinna Beauty, Life & Style, In Touch Weekly, Closer and The Miami Herald**.
-

STONE FOX VENTURES | Grand Rapids, MI | 2012–2020

Creative Director

- Shaped brand strategy, creative direction, ecommerce, and marketing across a **portfolio of eight companies**, reporting directly to the president and guiding brand development across B2B and consumer businesses.
 - Established **two flagship corporate brands**, created multiple product brands, and **rebranded three established organizations**—including a 75-year-old company—through naming, positioning, messaging, and visual identity systems.
 - Managed a team of **five designers and four developers**, plus freelancers, agencies, printers, photographers, and international vendors, while running creative operations and marketing integration for **three acquired companies**.
 - Launched four ecommerce platforms supporting **\$3M+ in annual revenue** and marketing programs spanning **approximately 10,000 SKUs** across multiple brands.
-
