PROFESSIONAL EXPERIENCE

SUMMIT POINT | Remote | Jun 2024–Jun 2026

Creative & Brand Marketing Lead

West Michigan exterior-services company serving residential and commercial customers across multiple divisions and locations.

- Led brand, creative, and integrated marketing supporting **expansion into Detroit and the launch of a new division**, during a period when company revenue reached approximately **\$25M in 2024 and \$30M in 2025**.
 - Built a unified brand and marketing system across **four divisions, three locations, and 10+ service lines**, modernizing legacy identities and aligning digital, print, email, direct mail, content, and sales enablement.
 - Expanded an underdeveloped website into a broader SEO and lead-generation platform, adding **50+ service, landing, location, and educational pages** plus case studies, testimonials, video, FAQs, and conversion tools that expanded geographic and service-line coverage while strengthening the customer-facing brand experience.
 - Replaced outdated sales collateral and an informal referral approach with standardized pitchbooks, proposals, and a structured referral program for a **nine-person sales team**.
 - Directed **three agencies and 40+ vendors**, establishing creative workflows and brand governance while using AI for research, concept development, and quality review.
-

SMARTSITES | Remote | Sep 2022–Jun 2024

Senior Creative Marketing Manager

Full-service digital marketing agency providing web, SEO, paid media, and related marketing services to businesses nationwide.

- Reworked websites with weak UX and thin content, shaping architecture, conversion paths, messaging, and content from discovery through launch.
- Translated client goals into coordinated work across design, content, technical SEO, and front- and back-end development; assigned and reviewed work, resolved cross-functional conflicts, and presented website and digital strategy recommendations to business owners and executives.
- Managed and onboarded a **30-client portfolio**, including dissatisfied accounts transferred from other specialists, rebuilding trust and maintaining **approximately 90% retention** while leading discovery, requirements gathering, and website/UX strategy.

ACCELERATE360 | Remote | Sep 2020–Aug 2022

Creative Marketing Lead

Media, ecommerce, and consumer-brand company spanning publishing, retail, and digital commerce, including LifeToGo and Us Weekly's ecommerce platform, UsNow.com.

- Built LifeToGo's early brand and campaign execution infrastructure as its primary creative resource, using reusable ad formats and templates to support high-volume production as the marketplace grew from launch to **\$18.7M in revenue in under two years**.
- Created scalable ecommerce creative standards for **47 consumer brands** across beauty, fashion, wellness, fitness, technology, food, and lifestyle, adapting inconsistent partner assets, standardizing image requirements, and translating distinct identities into marketplace and campaign creative at scale.
- Developed graphics, packaging, ecommerce merchandising, promotional assets, advertising, and marketplace creative that brought owned and partner products to market for LifeToGo and partner brands.
- Delivered integrated creative across Amazon, ecommerce, email, display, social, motion, and video, supporting coordinated product launches and online sales across digital channels.
- Produced campaign and brand creative for nationally recognized media and consumer brands including Us Weekly, Men's Journal, Performance Inspired by Mark Wahlberg, Toni Braxton Beauty, Jill Zarin Home, Lisa Rinna Beauty, Life & Style, In Touch Weekly, Closer, and The Miami Herald.

STONE FOX VENTURES | Grand Rapids, MI | Nov 2012–Sep 2020

Art Director

Grand Rapids venture group operating a portfolio of B2B industrial, ecommerce, and consumer businesses.

- Built the brand, ecommerce, and marketing infrastructure that supported growth from a single company with an outdated identity into an **eight-company portfolio** of B2B manufacturing, distribution, and B2C ecommerce businesses.
- Modernized the portfolio's brands through naming, positioning, messaging, and visual identity, building **two flagship corporate brands**, launching multiple product brands, and **rebranding three established organizations—including a 75-year-old company**.
- Built the creative function from the ground up, leading **five designers and four developers** plus external partners and coordinating brand and marketing integration across **three acquisitions**.
- Led **eight portfolio websites across four platforms**, spanning B2B manufacturing, corporate, and B2C ecommerce experiences and supporting **\$3M+ in annual ecommerce revenue** across approximately **10,000 SKUs**.
- Independently designed and produced a **276-page product catalog** to replace a limited legacy sales tool, handling all layouts, iconography, product data tables, photography, and stock image selection.
